Chairman Burgess presided and called the meeting to order at 4:30 p.m. with all members present.

FIRE HALL - ELAM ROAD

Bids were opened on this item on January 29, 2013 with the low bid being presented by Keystone Construction for the reconstruction of the 5500 Elam Road Fire Hall. Public Safety, Property Management and the Budget Committee have all had an opportunity to discuss this project vs. razing the building. To raze the building and completely rebuild, Mr. Burgess said it will cost approximately \$400,000+. Commissioner Cook said she went out there and doesn't see how it can be renovated because all of the rafters were charred and it has a lot of cracked blocks. Mr. Burgess said all of the cores of the block in the entire building will be filled with concrete and rebar and the architect has assured him that it will be in full compliance with all building codes. The Budget Committee approved the reconstruction of the building in the total amount of \$178,300, which includes a \$15,000 contingency and \$18,003 for architect fees.

Base bid	\$146,000
Alt. #2	- 3,200
Alt. #3	- 7,500
Alt. #4	+ 10,000
15% Contingency	+ 15,000
Arch. Fees	+ 17,000
Printing	\$ 1,000

TOTAL \$178,300

Following discussion,

"Commissioner Gooch moved, seconded by Commissioner Shafer, to award the bid for reconstruction at the fire hall on Elam Road to Keystone Construction from Jackson, TN with the total amount of the project to be \$178,300. The motion passed with Commissioner Jack Black voting "No".

COMPLETION OF TWELVE CORNERS SECTION 1

Two bids were received:

1. Rogers Group, Inc., Murfreesboro, TN \$101,040.00

2. Hawkins Asphalt Paving, Wartrace, TN \$112,796.99

Mr. Burgess said this is a subdivision that the bond was called on because the developer went bankrupt. We have approximately \$95,325 in the bank from the bond but this is something that will have to be done. Del Corbitt said he recommended awarding the bid to Rogers Group contingent on funding the entire amount.

"Commissioner Black moved, seconded by Commissioner Gooch, to award the bid to Rogers Group in the amount of \$101,040 contingent on funding the entire amount. The motion passed unanimously."

HEAVY DUTY DUALY PICKUP TRUCK - EMA

One bid was received from Ford of Murfreesboro in the amount of \$48,467 for a 2013 Ford F-350 Chassis XL 4x4 SD Crew Cab.

Mr. Tim Hooker reviewed the bid and recommended awarding it. He said there is \$60,000 in a Homeland Security grant for this and he will use the remainder for equipment, striping, etc. for the truck. This truck will be available to any agency that needs it.

"Commissioner Shafer moved, seconded by Commissioner Ealy, to award the bid to Ford of Murfreesboro in the amount of \$48,467 for a 2013 Ford F-350 Chassis XL 4x4 SD Crew Cab. The motion passed unanimously."

EMERGENCY VEHICLE EQUIPMENT - SHERIFF'S DEPARTMENT

Due to the bids being so voluminous, the original bids may be viewed in the County Mayor's office. Many items were bid but Items A & B are the two items that were requested to be read aloud from each bid. Item A is the Federal Signal Valor non-linear low profile LED lightbar and Item B is the Whelen SP8 package lightbar. Therefore, those prices are listed below:

	<u>ITEM A</u>	<u>ITEM B</u>
1. Truckers Lighthouse, Nashville, TN	\$2,635	\$2,136
2. Harpeth Motorsports, Franklin, TN	\$2,345	\$1,324
3. AutoZone, Murfreesboro, TN	No Bid	No Bid
4. Gemini Communications, Murfreesboro, TN	\$2,560	No Bid
5. Mtn. View Ford, Chattanooga, TN	No Bid	No Bid

Jacoby O'Gwynne and Mike Bailey from the Sheriff's Department requested the bids be taken under advisement so they can provide the Committee with a spread sheet outlining all prices.

"Commissioner Shafer moved, seconded by Commissioner Cook, to take the bids under advisement. The motion passed unanimously."

There being no further business, the meeting was adjourned at 4:55 p.m.
